

THE WEEK IN PICTURES

Up, up, and **AWAY!**

What a fall guy! A brave Justin Timberlake “flips out” as he does his own stunts for a Pepsi commercial that will run during the Feb. 3 Super Bowl. The singer was hooked to wires so he could simulate being struck by a car. He’s also dragged along the street on a car door. Although Justin is left with just one dark shoe, don’t worry about a wardrobe malfunction – the spot was pre-taped. A 30-second Super Bowl commercial will cost \$3 million to air.

IN JEOPARDY

NOBODY expects to have a heart attack, but “Jeopardy!” host Alex Trebek’s recent medical emergency stunned him and those close to the star.

Trebek is not overweight, doesn’t smoke, keeps himself in good shape and had no warning signs – so the attack came as a huge surprise, said a source close to the 67-year-old star.

“It was like a lightning bolt. Alex watches his weight – but he now realizes he’s going to have to work even harder to stay healthy.”

The game show host was rushed by ambulance to Cedars-Sinai Medical Center on Dec. 10 after suffering excruciating chest pains.

Doctors determined Trebek had suffered a minor heart attack, but fortunately he did not require surgery. He was quickly stabilized and kept under observation before being released three days later.

Alex Trebek vows to be **healthier** after heart attack

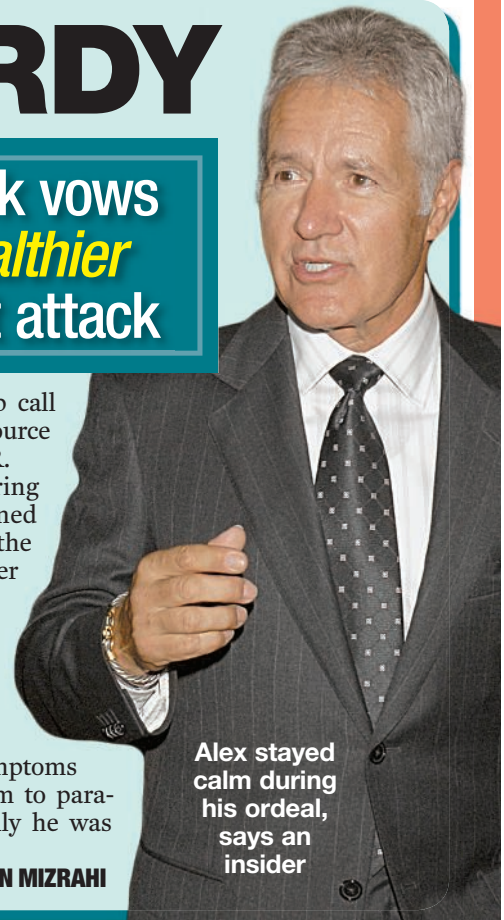

“It was a wake-up call for Alex,” a close source told The ENQUIRER.

Despite the searing pain, Alex remained calm throughout the ordeal, says another insider.

“He had the presence of mind to know he needed to get to the hospital immediately.

“He knew the symptoms and articulated them to paramedics. But naturally he was scared.”

Alex stayed calm during his ordeal, says an insider

Jack and wife Tanya Haden with son Sam

It’s a boy!
Jack Black to be a **daddy** again

JACK BLACK – Hollywood’s biggest kid – is going to be a daddy again.

The ENQUIRER has learned exclusively that Jack’s wife, cellist Tanya Haden, is four months pregnant with the couple’s second child – a boy.

“Jack and Tanya are thrilled they’re having another baby,” a family friend told The ENQUIRER. “Jack may have a reputation as a frat boy – but he’s very serious in his role as father.”

The 38-year-old “School of Rock” star attended high school with his talented wife, but Tanya didn’t tame the wild man until they met again and fell in love 15 years later in late 2005.

After a whirlwind romance, they eloped in March 2006 and Sam was born three months later.
