

HONEYMOON TOAST:
Charlie & Brooke share a drink by the pool in Costa Rica

A HEARTBREAKING secret clouded Charlie Sheen's recent wedding – just days before the long-awaited nuptials: The new bride suffered a miscarriage.

The “Two and a Half Men” star and gorgeous Brooke Mueller were putting the finishing touches on plans for their May 30 wedding when the real estate investor lost the baby she was carrying. She was about 10 weeks into her pregnancy.

“It should have been the happiest day of their lives

according to the insider. “It seemed that everything that could go wrong, did go wrong.”

“Charlie and ex-wife Denise Richards’ bitter public dispute over their daughters’ custody issues continued to spill into TV and newspapers – and it put Brooke under immense additional pressure.”

TO MAKE MATTERS WORSE, Brooke nearly lost \$500,000 due to squabbling over photo rights to the wedding. The couple also obsessed over keeping the location of the nuptials secret.

The handsome actor and his lovely bride were wed in an outdoors, nondenominational ceremony at a Los Angeles estate, with about 70 friends and family attending.

The event was marriage No. 3 for Charlie, 42, and Brooke’s first. Brooke sparkled in a stunning white Reem Acre gown, and Charlie looked handsome in his black Pronto Uomo suit.

“When they met at a party in 2006, there was instant chemistry,” disclosed the source. “Charlie often refers to Brooke as his true soul mate.” **by ROBIN MIZRAHI**
