Elizabeth
Montgomery
starred in '60s
hit Bewitched

By **ROBIN MIZRAHI**

While moviegoers await the upcoming big-screen adaptation of the classic sitcom *Bewitched* with Nicole Kidman, TV buffs still maintain a special affection for the original nose-twitching suburban witch, actress Elizabeth Montgomery.

Montgomery, who starred in the *Bewitched* TV series from 1964 to 1972, is the subject of a new biography by author Rita E. Piro. *Elizabeth Montgomery: A Bewitching Life* chronicles how it took the actress "forty years and three divorces to find true and lasting love," says Piro.

The future "Samantha Stephens" was the daughter of Hollywood star Robert Montgomery and Broadway actress Betty Allen.
