

# SCARLETT'S NEW BEAU *MOVING IN* PIECE BY PIECE...

**S**CARLETT JOHANSSON and Ryan Reynolds have taken their budding romance to a new level.

The "Lost in Translation" beauty has given Ryan the go-ahead to move "some of his stuff" into her Hollywood home, say pals.

**"SCARLETT FINALLY TOLD RYAN TO** move some of his personal belongings into her condo," a friend of the actress told *The ENQUIRER*. "He pretty much stays over every night now anyway, so she wanted to make

it feel like it's his place, too."

Sources say Scarlett, 22, has fallen hard for the 30-year-old "Amityville Horror" star, who ended his engagement to singer Alanis Morissette in February.

Hollywood's hottest new couple has been turning heads in Manhattan, Scarlett's home turf, since Easter, when they dined at the luxurious Carlyle hotel.

Sallie Toussaint isn't happy with Justin

...while her ex Justin is called a 'fairy' by beauty queen

**J**USTIN TIMBERLAKE isn't bringing "Sexy" back - he's brought "Wimpy" back!

That's the scorching opinion of "The Departed" actress Sallie Toussaint, who blasts: "Timberwuss is quite the fairy. He needs to man up!"

The former Miss World USA ripped the pop star during an amazingly candid interview. She said she'd never date a guy like Justin, citing her best friend who says: "Bringing sexy back? Why doesn't he bring his b---s back?"

Sallie explained: "After the Janet (Jackson) thing, where he didn't step up, I stopped liking him."

The 33-year-old beauty was

referring to the 2004 Super Bowl halftime performance, when Justin popped off part of Jackson's corset, exposing her breast - soon referred to as the infamous "wardrobe malfunction."

Janet apologized, saying the decision to have Justin, 26, reveal her bosom was made after final rehearsal. But Justin stuck to his version - that it was an accident.

"I am sorry if anyone was offended by the wardrobe malfunction," he said. "It was not intentional and is regrettable."

Janet received a lot of bad press, and Justin did little or nothing to help her.

Charged Sallie: "Justin could have helped tremendously by

just being a man, but he didn't. "He ripped her top and ran."

Born in Connecticut to parents from Trinidad, the 5-foot-9 model and actress has been the face of numerous products, including Colgate, Reebok and Bacardi. She's had small but memorable roles in "The Departed" and on "The Sopranos," and has also performed on Broadway.

But don't expect her to duet with Justin anytime soon!
