rees close to the actress con-
say that Lindsay - who has
y 30 pounds in the past few
and has been hospitalized
year - is burning the candle
ends, partying hard and living
and cigarettes.
friend of the actress said:

"Lindsay is way more wild
s when I was her age."
ider said: "Lindsay always
at she drinks, but everyone
s and cares about her is

continually worried about her wild
behavior. Sometimes she gets so out
of control."

Most recently, Lindsay was report-
ed to have banned Jessica and sister
Ashlee Simpson from attending her
private after party at the Standard
Hotel in L.A. following The MTV
Movie Awards.

And friends say Lindsay's 'No Simp-
son' policy was due to Ashlee's
blossoming relationship with Lind-
say's ex Wilmer Valderrama. "Lindsay
can be a total spoiled brat - and
the more overwrought she becomes
emotionally, the worse she gets,"
continued the insider.

"The last few months she was deter-
mined to lose weight fast - and though
she refuses to admit that she's doing
anything unhealthy, some people be-
lieve she's crash dieting and not taking
care of herself physically." Friends say

"At least Lindsay doesn't have
to worry about her father bother-
ing her or talking about her for
awhile - unless he finds a way to
do that from prison." Michael

to a restraining order.

Asked about the overdose claims,
Lindsay's publicist Leslie Sloane
said: "Her father didn't say she
overdosed, he said he heard a ru-
mor. Lindsay is doing great."
