# MARY-KATE CHEATS ON BOYFRIEND

## Thin twin hooks up with chubby

### 'Knocked Up' star Jonah Hill

MARY-KATE OLSEN is two-timing her boyfriend with a surprising new guy — chubby "Knocked Up" star Jonah Hill. The ENQUIRER has learned exclusively.

The unlikely couple cozied up to each other at Los Angeles' Chateau Marmont hotel on Aug. 25 — just one night after the thin actress stepped out to a rock concert with steady beau Nate Lowman.

It was a shock to see Mary-Kate with, of all people, Jonah, an eyewitness to The ENQUIRER.

They were on a double date with another couple, dining at the hotel around 10 p.m.

Mary-Kate and Jonah sat close together and seemed totally into each other. They were both wearing plaid shirts that almost matched. It was the cutest thing."

ACTOR-WRITER JONAH, 24, hit it with the 2007 film "Superbad," which ushered in a new wave of ball leading men.

"He's such an improbable ladies' man — but when you get to know him, he's very charming," said an insider.

It's an out-of-the-blue hookup for Mary-Kate, 22, who has been involved with New York conceptual artist Nate since last fall. She has been romantically linked to Greek shipping heir Stavros Niarchos and the late star of "The Dark Knight," Heath Ledger.

Party girl Mary-Kate's budding romance with Jonah will likely come as a big surprise to 28-year-old Nate, who was photographed embracing her at a Radiohead concert in L.A. less than 24 hours before her intimate dinner with Jonah.

"From what I saw at the Chateau Marmont," said another source, "Mary-Kate had forgotten about Nate and seemed totally enamored with Jonah. And he couldn't keep his hands off her, either."

"I'm sure Nate would have been floored to see the spectacle — the poor guy is being two-timed."

During dinner, Jonah spotted his best buddy, "Knocked Up" co-star Jason Segel, out on a date, and went over to say hello.

"Jason was aghast that Jonah was with Mary-Kate, and asked in wonderment, 'Dude, how did you pull that off?'" revealed the source.

"Jonah replied, 'I got up the courage to ask her out on a date, and she surprised me by saying yes.'"

**AFTER CHATTING A FEW MORE** moments, the tubby comedy actor returned to Mary-Kate's side — and draped his arm around the former "Full House" star, said the insider.

"And as Jonah and Mary-Kate left the dining area around 11:45 p.m., he was rubbing her back. Just before Jonah exited the room, he turned to pal Jason, with the biggest grin in the world, and gave him the thumbs-up sign.

"It was like a classic scene from one of Jonah's comedies, where the geek wins the prettiest girl in school and celebrates with a pal.

"Mary-Kate seemed pretty happy, too."
