

NEW BOYFRIEND JUST WHAT THE DOCTOR ORDERED FOR T.R. KNIGHT

"GREY'S ANATOMY" doctor T.R. Knight has a new prescription for his love life.

The openly gay 34-year-old actor – who plays Dr. George O'Malley – has fallen head-over-stethoscope for stage actor Adam Armstrong.

T.R. hooked up with Adam late last year after breaking up with Luke MacFarlane of "Brothers & Sisters," an insider told *The ENQUIRER*.

"When T.R., who is originally a theater actor, went backstage to meet the cast after an L.A. production of 'The History Boys' in November, he was immediately attracted to Adam."

The two began to date – and now T.R. is enjoying a long-distance

relationship with New York-based Adam.

In Oct. 2006, *The ENQUIRER* reported exclusively that former "Grey's Anatomy" star Isaiah Washington called T.R. a "faggot" in the heat of a nasty on-set argument.

The incident set off a chain of events that ended with Washington being fired and T. R. coming out of the closet.

"T.R. and Adam are very happy," said the insider. "And while they're not flaunting their romance, they aren't hiding it, either."
