now starring in The Others, more than \$21 million. Though the couple divorced in August, the financial division and child custody issues have taken longer to hammer out.

Too long for Tom, say insiders. and he hit the breaking point when he realized the redhaired beauty was about to leave the country for two-and-ahalf months on a promotional tour to Japan and vacation in her native Australia.

Tom, 39, called Nicole. 34, and was so angry that it frightened her, sources confide.

"Just seconds into their conversation, Nicole's face changed," says the insider.

A copy of the proposed financial settlement shows how Tom and Nicole planned to divide up all their assets, says a source. According to one document, Tom is worth \$132, 981,396 while Nicole is worth \$21,378,180

away from her ear though she couldr bear to hear his voice.

"'Tom, I can't see yo now,' she pleaded wit him. 'I'm packing. I' leaving tomorrow.' Br she couldn't get a word in

"Nicole was totall scared. She was wringing her hands and pacin back and forth.

"She turned to one of he staffers and stammered. 'I's worried. I think we shoul call extra security. I'v never heard him this angry

"Nicole then paced th floor waiting for Tom t show up. He tore into th house wearing his usua jeans, T-shirt and baseba cap. He demanded that Nicol sit down with him and tal about their divorce settlemen

"By then, Nicole had reall worked herself up. She wa biting her lip and her hand were trembling. She tol him she only had half a hour, but he wouldn't lister
