

**V**INCE VAUGHN is miserable since his

breakup with Jennifer Aniston, say insiders.

While dining with a male pal at a sushi restaurant recently, the 36-year-old actor couldn't stop complaining how rotten his life has been since the "Friends" star left him late last year.

**"VINCE WAS TALKING**

so loudly about how terrible everything is, how disappointing women are, and how crazy the movie business is," a fellow diner at Katsu-ya in Studio City, Calif., revealed to The ENQUIRER.

"Every five minutes or so he went out to smoke a cigarette, and then came back and ordered another bottle of saki. He was so hyper and loud - driving everyone in the restaurant crazy.

"He was talking about 120 miles an hour, and it was complaint, complaint, complaint.

"Vince looked terrible, too, as if he hadn't slept in days. His eyes were puffy,
